Taking The Bus

In San Francisco, the Municipal Transportation Agency (MUNI) is our main public transportation system. MUNI's bus routes extend all across the city. MUNI offers fast passes for sale at the beginning of each month, and each fast pass is valid for one month. If your stay in San Francisco is for one month or longer, I suggest you buy a fast pass to save money on public transportation. A fast pass for youth (ages 5-17) or seniors is \$10 (65+), and for adults \$45. Children under 5 gets to ride for free!

To get on the bus:

You will have to pay a fee.

\$.50 for kids, \$1.50 for adults, and \$.50 for seniors

(use American money when taking the bus.)

After you pay you will receive a transfer.

(a transfer has the date and numbers on the side which indicate time)

Where its cut off, its when the transfer expires

Which buses are used:

There are two buses which will be used in this tour, which is the **5 Fulton** and the **30 Stockton**.

How to get off the bus:

There's a cord along the windows, pull it when you are near your destination.

Tips

*It is okay to ask the bus driver if s/he heads to the location you want to go, s/he

usually knows.

*If lost, there is a map located on the bus stop.
