

# Dugoni School of Dentistry Dental Camp

Saturday, February 27, 2016

*Explore a Career in Dentistry*  
*Have Fun Learning about Oral Health and Your Teeth*

Annually, Jr. high & high school students from throughout Northern California are invited to a one-day, fun-filled dental camp in San Francisco to learn about careers in dentistry and oral health.

## WHAT you'll learn at dental camp:

- Learn something new about oral health by participating in hands-on activities such as:
  - Creating a mold of your teeth
  - Working with real dental instruments
- Learn how people find careers as a dentist, dental hygienist, dental assistant and dental laboratory technician
- Learn the art of dentistry
- Learn how oral health is linked to your overall health

## WHY you should attend dental camp:

- It's a unique, one-day only event
- It's free!
- Meet new friends interested in a career in oral health
- You'll have fun!
